⇒ **Because you do not have a previous or current Unemployment Insurance (UI) claim, your personal information is not on file with the DOL.** In order for this data to be stored, the system must complete the claim processing. Thus, you will see the following screen *each time* you sign in, until your claim has been successfully processed. Refer to the blue information message shown below:

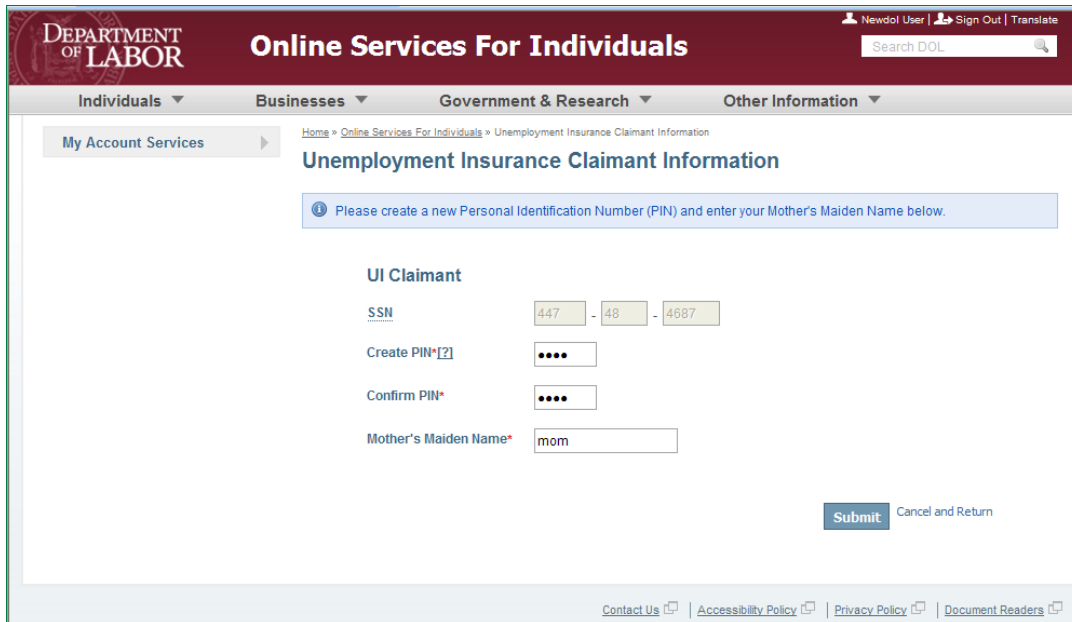

The screenshot shows the New York State Department of Labor website. The header includes the state logo, 'State Agencies', and a search bar. The main navigation menu has categories: Individuals, Businesses, Government & Research, and Other Information. The current page is 'Unemployment Insurance Claimant Information'. A blue information message states: 'You might have to enter your Social Security Number (SSN) more than once because when we process your initial application for UI benefits, we also verify that your SSN is correct and really yours. This step ensures your protection from identity theft. Once your application is successfully processed and you sign in with a NY.GOV ID, you will not have to enter your SSN again.' Below this message is a form titled 'UI Claimant' with an 'SSN' label and three input fields containing the numbers '447', '48', and '4887'. A 'Submit' button and a 'Cancel and Return' link are located below the form. At the bottom of the page, there are links for 'Contact Us', 'Accessibility Policy', 'Privacy Policy', and 'Document Readers'.

- Mother's Maiden Name*: mom

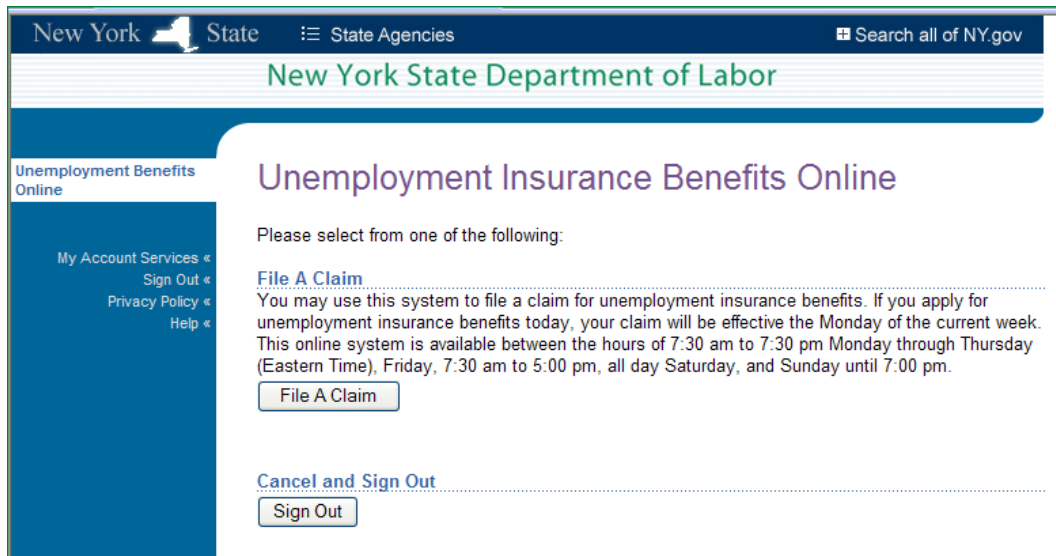

At the bottom right of the form, there are two buttons: 'Submit' and 'Cancel and Return'. At the bottom of the page, there are links for 'Contact Us', 'Accessibility Policy', 'Privacy Policy', and 'Document Readers'.

Step 4: Enter Personal Information.

- The system prompts you to create a Personal Identification Number (PIN), and enter your Mother's Maiden Name (MMN).
- Enter 4 numbers in the 'Create PIN' field, and enter the same 4 numbers in the 'Confirm PIN' field.
- Enter MMN.
- Click the 'Submit' button.

Guide No. 3 – New UI Claimant – Creating Your NY.GOV ID

⇒ The NY.GOV ID creation process is complete and the system displays the **Unemployment Insurance Benefits Online** page.

- Click the 'File A Claim' button to begin the claim process.
- Click 'Sign Out' to leave the DOL website.
